Dear Parents,

This year Sacred Heart School had 5 Snow Days built into its 2016-17 calendar. Due to the inclement weather conditions we used 6 days which means we need to add one more school day to our calendar. We are required to be in session 180 days of the year. Therefore we will be adding Holy Thursday to our "in session" days. This will be a ½ day with dismissal at 11:45. This gives us one too many ½ days so I am making Monday, June 19th a full day of school instead of a half day as we are only permitted to have a certain number of ½ days.

I realize many families have trips planned for Easter Vacation. Feel free to continue with your plans. I thought it was better to be in on a ½ day Holy Thursday than to have to come in on Friday at the end of Easter Week. Fr. Tom and I are planning a spiritual retreat day for the students.

Thank you.

Mrs. Muenkel

P.S. M-W, Washingtonville, Warwick, Greenwood Lake and Highland Falls are not busing throughout Holy Week. Chester, Cornwall, Newburgh and Florida will bus including Holy Thursday, 4/13.
